

## Steak with Blue Cheese

2 Mazzulo's strip steaks \*

8 oz of blue cheese \*

¼ c soften butter \*

1 sprig of fresh parsley chopped

¼ t garlic salt \*

Fire-up the grill.

In a small bowl combine cheese, butter, parsley and garlic.

Place steaks on the grill.

After it has been flipped the first time spoon the mixture over the steak and let it soak in as the other side is grilling.

It will look like a scoop of ice cream.
